Book Condition: New. Publisher/Verlag: Random House US | Follow Me and Disappear | A good girl dreams herself into a bad boy's room in this lyrically romantic novel by a bestselling author from which Maggie Stiefvater, author of *The Raven King*, says she "woke up satisfied." Waverly Camdenmar spends her nights running until she can't even think. Then the sun comes up, life goes on, and Waverly goes back to her perfectly hateful best friend, her perfectly dull classes, and the tiny, nagging suspicion that there's more to life than student council and GPAs. Marshall Holt is a loser. He drinks on school nights and gets stoned in the park. He is at risk of not graduating, he does not care, he is no one. He is not even close to being in Waverly's world. But then one night Waverly falls asleep and dreams herself into Marshall's bedroom-and when the sun comes up, nothing in her life can ever be the same. In Waverly's dreams, the rules have changed. But in her days, she'll have to decide if it's worth losing everything for a boy who barely exists. From the Hardcover edition. | Format: Paperback | Language/Sprache: english | 387 gr | 208x149x27 mm | 384 pp.
