Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Systemology For Life NexGen Knowledge Booklet Series debut! On the path of the Right Way - the course one takes toward their own personal transhumanist Ascension on a spiritual scale - a significant part of your evolution comes from the ability to literally overcome behaviors, meaning overriding the very programming (pattern) of which we are given - either genetically or learned socially. It is this progression of interaction with external energies - our responses and experiences with them - that constitute the lessons and lifecycles that we repeatedly find ourselves in. Until we are able to fully appreciate a specific lesson in our path, cyclic behaviors and results ensue, and in hindsight, we find ourselves trapped in circles of behavior wherein we follow a program of doing the opposite of what we intend to do; pushing away the very energies and forces that we seek to manifest in our life. The paradigm encompassing NexGen Systemology is to look beneath this very surface in question and clearly and self-honestly take in a wide angle, holistic, all inclusive - systematic - way of experiencing the inner world of thought and its relationship with the outer world of forms. As the lens pierces deeper and deeper into the fabric of space and time - reality - the continuity, entangled and interconnected nature of these inner and outer realms blurs and we see that the weave and the fabric - the light and the screen - are all, in themselves, composed of the same energetic vibration that spurs out forth from the most primeval and primordial ripple of the void. Form came - and the Pattern was established. Patterns Cycles is the first volume from...
