Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A blue moon rises, bringing with it magic and danger to a sleeping Denver. Brandy Svensson mourns her lost soldier fiancée and struggles to move on. Her own near-death experience has brought her an odd gift - she has a telepathic connection with cats. She's coping with life's changes until the night she finds a lost jaguar cub, just the start of the greatest changes of all. Dak, a warrior Pantherman, is alarmed when his baby nephew, the Chief of the klatch, vanishes. Dak must find the infant before his enemies do, or be branded a murderer and risk igniting warfare among the clans. When the cub turns into a human baby, shock and confusion flood Brandy. And when a full-grown jaguar arrives to claim him, then transforms into a man, fascination sweeps through her. Dak's protective instincts are triggered by this lovely woman, and the certainty that he's followed by a killer. Drawn together in their fight to protect the baby, Brandy and Dak confront the enemy and the final choice threatens. Will the feral magic they've discovered together save or doom them?.
