Marble Arch Press. Paperback. Book Condition: New. Paperback. 448 pages. Dimensions: 8.2in. x 5.3in. x 1.1in. Christof, Christophe, Christopher, and Cristfol are four brothers sons of the same father and four very different mothers yet none of them knows of the others existence. They live in four different cities: Frankfurt, Paris, London, and Barcelona. Unbeknownst to them, they have one thing in common: Gabriel Delacruz a truck driver abandoned them when they were little and they never heard from him again. Then one day, Cristfol is contacted by the police: his father is officially a missing person. This fact leads him to discover that he has three half-brothers, and the four young men come together for the first time. Two decades have passed since their father last saw any of them. They barely remember what he was like, but they decide to look for him to resolve their doubts. Why did he abandon them? Why do all four have the same name? Did he intend for them to meet? Divided by geography yet united by blood, the Christophers set out on a quest that is at once painful, hilarious, and extraordinary. They discover a man who during thirty years of driving was able to escape the darkness of Franco's Spain and to explore a luminous Europe, a journey that, with the birth of his sons, both opened and broke his heart. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
