Med school drop-out Mandy Murrin has returned home to care for her mentally handicapped, teenage sister. But despite having multiple college degrees under her belt, Mandy finds jobs aren't easy to come by in small town Alabama. Now instead of a stethoscope, she's forced to sport a tool belt as a technician for the local cable company, Flicks Vision. But things go from bad to worse when, while on assignment at the Mayor's house, Mandy finds herself in the attic amongst cobwebs, Christmas decorations, and a corpse? Suddenly Mandy's life is turned upside down with one missing body, a high school nemesis turned police detective, a mysterious stranger, and a town full of long buried secrets. If Mandy's not careful, this could be one dead end job where she may not make it out alive!.
