From an early age it was apparent that he had no respect whatsoever for the vaunted Soviet School of chess and held their grandmasters in scant esteem. Although suffering from terrible back pain, Miles insisted on competing, even from this unorthodox position, the only one in which the pain subsided. Characteristically Miles went on to win shared first prize in the event. Tony Miles died tragically early in November 2001. This book is a memorial to him, written by a Grandmaster rival who faced him many times over...
