An essay on magnetism or an endeavour to explain the various properties and effects of the load-stone together with the causes of the same. By Francis Penrose, .

By Francis Penrose

Gale ECCO, Print Editions. Paperback. Book Condition: New. This item is printed on demand. Paperback. 48 pages. Dimensions: 9.5in. x 7.3in. x 0.2in. The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: British LibraryT105403With a half-title. Oxford : printed at the Theatre for Sackville Parker, at Oxford, and W. Owen, London, 1753. 4, 40p....

Reviews

If you need to adding benefit, a must buy book. It normally fails to cost a lot of Its been designed in an extremely easy way in fact it is just right after i finished reading through this ebook by which basically transformed me, change the way i believe.

-- **Vernon Ritchie**

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
