

Due Process of Law: A Brief History (Paperback)

Filesize: 9.55 MB

Reviews

Absolutely one of the better ebook We have ever study. it had been writtem quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Carol Lehner II)

DUE PROCESS OF LAW: A BRIEF HISTORY (PAPERBACK)

[DOWNLOAD](#)

University Press of Kansas, United States, 2003. Paperback. Condition: New. New. Language: English . Brand New Book. Many rights that Americans cherish today go unmentioned in the U.S. Constitution. Where do these freedoms come from? John V. Orth answers that question in this unique and gem-like history of due process. No person's life, liberty, or property may be taken without due process of law. What exactly that means has been one of the most frequently asked questions in American constitutional history. Today, the answer is usually given in two parts: what procedures the government must follow and - in exceptional cases - what the government cannot do even if it follows the proper procedures. The procedural aspect of this answer has been far less controversial than substantive due process, which at one time limited government regulation of business and today forbids the states from outlawing abortions. Due process of law, as a phrase and as a concept, was already old at the time it was adopted by American constitution-writers, both state and federal. Mindful of the English background and of constitutional developments in the several states, Orth in a succinct and readable narrative traces the history of due process, from its origins in medieval England to its applications in the latest cases. Departing from the usual approach to American constitutional law, Orth places the history of due process in the larger context of the common law. To a degree not always appreciated today, constitutional law advances in the same case-by-case manner as other legal rules. In that light, Orth concentrates on the general maxims or paradigms that guided the judges in their decisions of specific cases. Uncovering the links between one case and another, Orth describes how a commitment to fair procedures made way for an emphasis on the...
