Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The main texts are written in Old English, but are still quite inspiring to the average reader with a little work. It contains, besides this part detailing the duties of officials, various memoranda about wood carried partly at Talatun (1 Talaton in Devon), some medical recipes in English and Latin, and a vellum fragment which was formerly in the binding, and contains some fifteenth-century accounts. But the only thing of much interest is the general Rule to teche euery man that is willynge for to lerne to serve a lorde or mayster in euery thyng to his plesure . So far as I can gather, Dr. Furnivall was right in describing this tract as unique; no other treatise seems to correspond to it closely in detail. But it is one of a very numerous class of which, in the opening years of the Early English Text Society, Dr. Furnivall made a special study. During the sixties he edited for the Society three volumes of Books of Courtesy, Books of Nurture, Books of Carving, Babies Books, and other treatises illustrating English manners. It was during the fifteenth century that this type of book flourished peculiarly in England: in other countries-in Italy and Provence-it is found much earlier. It has been stated that the early Italian courtesy books are few and of little mark ! But probably there was a considerable body of Italian courtesy books which has been lost: 2 and, in any case, some early and important Italian books of manners have been preserved. Thomasin von Zirklaria, the author of the South German treatise Der Walsche Gast, was an Italian. Der Walsche Gast though not essentially a courtesy book, contains the elements which go...
