Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Brand New Book ***** Print on Demand *****.Excerpt from Christian Mystery: A Chinese Tale, Found in the Portfolio of a Portuguese Friar Commercial affairs had engaged me to make a sea voyage. I had got far from the shores of my native country, when a dreadful tempest threw me on an unknown coast; however, I fell into the hands of a very humane people, and soon found they had brought the arts to great perfection, that they practised many virtues, and appeared to me in a state as enlightened as humanity could attain. My admiration of them equalled my gratitude, but, alas! it is but too true, that man always discovers by some failing the weakness of his being. These people shewed as much friendship towards me as I could possibly do to them; their mildness and civility entirely gained my affection. They said to me one day, Of what religion are you? The question surprised me; I asked them if there were two religions, at which they smiled, and I saw they were astonished at my ignorance. My friend, said one of them, give thanks to God for having conducted you amongst us to be instructed in our holy religion. You do not know then that God has made himself a man? I assured them it was the first time I had heard of it, and asked them why he had become a man? Know, continued they, that the first man ate an apple which God had forbidden him, in consequence of which all his posterity were condemned to eternal punishment.
