

How to Analyze People: Master the Skill of Reading Body Language and Enhance Your Life, Social Sphere, and Professional Situation (Paperback)

By Dr John Evans

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How To Analyze People Master The Skill Of Reading Body Language And Enhance Your Life, Social Sphere, And Professional Situation What if you were able to tell when your colleague's smile actually mean that they were irritated with you? Would you change your tactics of negotiation if you knew how the person in your business meeting was really interpreting your suggestions? Obviously, the skill of reading people offers an amazing advantage, competitively speaking, both professionally and on a personal level. Most people want to think that they are already good at interpreting other people's body language signals, but the fact is that we aren't as good at this as we believe. Actually, studies show that technology might be getting in the way of our natural abilities to interpret emotions. Are you tired of guessing how people feel or constantly misinterpreting the signals of those around you? Then you need to learn more about body language and personality types. In this book you will learn: The Advantages Of Analyzing People: Are you interested in the topic of analyzing people, but...
