

How to Read Oceanic Art (Paperback)

Filesize: 8.59 MB

Reviews

Simply no phrases to spell out. It is probably the most remarkable pdf i have got read through. I am delighted to inform you that this is actually the greatest publication i have got read within my very own existence and can be he very best book for actually.
(Demarcus Ullrich)

HOW TO READ OCEANIC ART (PAPERBACK)

Yale University Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. A literary master's entertaining guide to reading with deeper insight, better understanding, and greater pleasure Art from Oceania, the region encompassing the islands of the central and south Pacific, spans hundreds of distinct artistic processes, formats, and mediums. Many people's exposure to Oceanic art comes through its influence on the work of European artists, and therefore Oceanic works themselves often remain difficult for Western viewers to interpret and comprehend. How to Read Oceanic Art, the third book in a series of guides to understanding different artistic genres, helps elucidate this subject through explanation of specific objects. The book analyzes the most illustrative Oceanic pieces from the Metropolitan Museum's collection-including lively painted masks, powerful figurines, and intricately carved wooden poles-which together represent the extraordinary diversity of artistic traditions in the region. Attractive photography and clear, engaging texts explain how and why various works were made as well as how they were used. This publication is an invaluable resource for art historical study, and also an important gateway to wider appreciation of Oceanic heritage and visual culture.
