Creating a five-star world worthy of Jackie Collins, Ellen Frazer-Jameson s new novel reveals how even a picture-perfect image of beauty, privilege and endless riches hides despair, heartbreak, betrayal and loss. Battling demons and desperate to find freedom, luxury-brand ambassador Julianne Gordon rises like the phoenix-determined to change lives through the global fashion-based charitable foundation Look Good and Do Good in the World. A leap of faith liberates her from the dark secrets of the past and challenges her to embrace true love. Love Kills With a Kiss is the third book in the Love Trilogy that exposed a devastating family secret in Love Mother Love Daughter. Book Two, Love Refuses to Die, followed the beautiful model Julianne Gordon through Europe on a rollercoaster of drama and danger into the deadly criminal underworld and the arms of an international criminal. The pain and pleasure of her search for love, redemption and justice in Love Kills With a Kiss concludes a series that will touch your heart, seduce your mind and speak to the romance in your soul. Ellen Frazer-Jameson is a sparkling and exciting new storytelling talent. -Peter James, International best-selling crime writer.
