National Geographic Children's Books. Hardcover. Condition: New. 224 pages. Forty-four men have taken up the responsibilities of the Presidency as the nation has grown from its colonial infancy into a modern superpower. They've faithfully executed the duties of the President--waged war, signed treaties, addressed Congress, and established government offices. But their impact goes far beyond the bounds of their job description. Each President has left his mark on the history of the United States and on the lives of the American people. Our Countrys Presidents is packed with information about Americas leaders. Find out why George Washington gave up his life as a Virginia planter to lead a nation, and why John Tyler was nicknamed His Accidency. Walk with the Presidents through wars, depressions, civil rights movements, and the race for space. Romp with the Garfield kids in a White House pillow fight and mourn with the nation over John F. Kennedys assassination. Eight all-new pages will contain exciting information and new images, and, of course, Election 2012, and a brand-new profile and photographic portrait of the new President (if applicable). In-depth text and historic images combine to make this volume the definitive family reference guide to the fascinating lives of the Presidents of the United States. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
