By T. R. Patrick

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 434 pages. Dimensions: 9.0in. x 6.0in. x 1.1in. Luke's life is about to take a dangerous turn. But first he has to die. In the year 2052, high school sophomore Luke Gibson considers himself an average teenager in a world on the brink of monumental change. Joining his parents and sister, Laura, at the first World Energy Initiative Conference, he is among thousands gathered in a Denver arena to celebrate free renewable energy when a massive earthquake strikes killing everyone in the stadium. The last thing Luke sees before his death is a girl reaching out to him--a stranger whose face he remembers from his dreams. The end, however, is not the end. Suddenly, inexplicably, Luke is back home in Ohio and everything is different. His sister is gone, the victim in an unsolved homicide years before. Angela, his mysterious dream girl, is here also, and the only person besides Luke who recalls the previous reality. And now their determination to uncover the truth about Laura's murder and their transformed world is making them targets--forced to flee for their lives from a nameless shadow organization and a government...

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
