

## A (Somewhat Irreverent) Introduction to Philosophy for Medical Students and Other Busy People

By Niall McLaren

Future Psychiatry Press. Paperback. Condition: New. 110 pages. Dimensions: 9.5in. x 7.2in. x 0.3in. During their careers, many students become aware that, lurking in the background, there are complex and conceptually difficult questions that, all too often, their teachers either can't answer, or can't even understand. These are traditionally the questions addressed by philosophy, and this little primer is the result of another student's journey over many years. Niall McLaren MD has spent over three decades banging his head against the Really Difficult questions behind psychiatry, and offers his personal view of how these questions should be approached. Very deliberately, he simplifies the convoluted language and reasoning that set philosophers apart, making it accessible to students of scientific fields in particular. In this book, you will gain a background in the following fields: Religion and the origins of philosophy, Mentalism, antimentalism and behaviorism, Epistemology, as the study of knowledge itself, Philosophy and the nature of science, Philosophy and the nature of ethics. Included is a glossary explaining some of the many -isms that can be so daunting to non-philosophers because philosophers too have their jargon but it is not meant to intimidate. True, it can be complex, but the issues...
