Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

GRIN Verlag GmbH. Paperback. Book Condition: New. Paperback. 12 pages. Dimensions: 10.0in. x 7.0in. x 0.0in. Seminar paper from the year 2012 in the subject English - Applied Geography, grade: 1, 0, University of Dortmund, course: English-Speaking Cultures of the World, language: English, abstract: The historical horizon of Brathwaites poem Twine is far-spanning, leading from the geological formation of the Caribbean island group to the conquering of the thenputative India by Europeans. Due to this well-diversified topical focus, it is difficult to follow every aspect in this long poem. Not only does Brathwaite brush on many details with only a few or sometimes even with just a single word, but his use of slang, enumerations, metaphors, rhetorical devices, and personal names make it necessary to scrutinise the text in order to understand more than just the obvious gist of it. For most readers the message will probably be the justified accusation of the European colonial oppressors and the evocation of African ancestry as a counterpoint to these atrocities. But when looking closely at the details, ideally keeping the poems title in mind - a twine is a two-threaded string - the question arises if the clear role allocation of Europeans on the one, and indigenous people of Africa and America on the other side, is really the line that Brathwaite draws in his analysis of the historical events. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
