Audible Studios on Brilliance, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It was 1954, in a construction camp for a hydroelectric dam in the remote Tasmanian highlands, where Bojan Buloh had brought his family to start a new life away from Slovenia, the privations of war, and refugee settlements. One night, Bojan's wife walked off into a blizzard, never to return--leaving Bojan to drink too much to quiet his ghosts, and to care for his three-year-old daughter Sonja alone. Thirty-five years later, Sonja returns to Tasmania and a father haunted by memories of the European war and other, more recent horrors. As the shadows of the past begin to intrude ever more forcefully into the present, Sonja's empty life and her father's living death are to change forever. The Sound of One Hand Clapping is about the barbarism of an old world left behind, about the harshness of a new country, and the destiny of those in a land beyond hope who seek to redeem themselves through love.
