Hay House Inc. Paperback. Condition: new. BRAND NEW, The Storm Before the Calm: Book 1 in the Conversations with Humanity Series (2nd), Neale Donald Walsch, Here is a spiritual and social tour-de-force that will leave you flying high, filled with hope, and feeling capable of handling all of Our Tomorrows. At last, there is a positive word about humanity's future-and a clear and simple way for each of us to affect it. From the author of Conversations with God comes a book that, like Book 1, you'll find yourself reading again and again .FOR EVERY PERSON WHO IS WORRIED ABOUT OUR FUTURE Here, not a moment too soon, is a genuine reason not to be afraid of our Tomorrows. The author of seven New York Times bestsellers in the world-captivating Conversations with God series, Neale Donald Walsch offers us a striking explanation for the upheaval we are seeing all over our planet right now, then proposes a simple plan by which we can impact both our personal and collective future in an extraordinary positive way. Here, at last, is something we can do-and do easily-to help our world: Have a simple conversation and make a simple decision. Walsch call this two-pronged approach the Conversation of the Century and the Most Important Decision You Will Ever Make. The conversation is built around the asking and answering of Seven Simple Questions. The decision is to adopt a daring new way of life. This book does not stop here, however. It invites each reader to personally engage with the author in co-writing a New Cultural Story for humanity, to be publicly offered to the world. Be prepared. This book can give you your life back. And our world, its future.
