Four best friends, one risky business, and a chance to say I do one more time. . . With their fledgling business Second Chances facing its first big break, four best friends turned wedding consultants face second chances-and challenges-of their own. For always-practical, always-predictable Elaine, it s a time for a total makeover . . . but is the new dream-her really her? For Lily, the free-spirited, free-spending sprite, it was the chance to find the one thing missing from her life that not even money could buy. And while Sarah, the self-reliant artist, faces a crisis that proves just how much she needs her friends, ex-publicist Jo is tantalizingly closer to true love than she can ever possibly imagine. Ex-husbands, computer dating, teenage kids-the world s much different than when they first said I do, but one thing s the same: they re all hoping their second chance will be a charm.
