Caliente Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. People around the world have long turned to the writings and teachings of Asia s leading thinkers for insights on self-awareness, personal development, virtue, the importance of the family, and the need for continuous cultivation of knowledge. But this is not to say that a quotation found in the Marketing and Customer Service section might not be equally valid to others as a Leadership or Personal Development motivational thought. It all depends on how you reflect on these Asian Words of Success. And that is what Howard hope s readers will do as they enjoy this book - and all the other volumes of the Asian Words of Wisdom series - reflect upon the words and thoughts of these Asian leaders. Howard...
