Brand New Book ***** Print on Demand *****.Zombies, zombies, zombies! How does it feel to be one of the walking dead? Hunted? Not free? Never allowed to live the life you choose? Charlie Dunlap, newly infected with the zombie virus, fears he is about to find out. Charlie doesn't want to become one of the mindless corpses at Norwood High School, where his few friends include the zombified Emma Fletcher. Charlie, recruited to aid in the investigation, faces each new adventure with a dose of gallows humor and fading hope for a cure. But Charlie knows there's more than his own fate on the line. At stake is the power to control the whole human race. Will Charlie survive? Who can he trust? In a world at war with the living dead, it's not always easy to tell who the real monsters are.
