

Coal chemical simulation training(Chinese Edition)

Filesize: 8.62 MB

Reviews

*It in one of the best pdf. It is writter in straightforward words and never difficult to understand. Its been designed in an extremely straightforward way and it is just following i finished reading this book through which basically modified me, affect the way i believe.
(Deonte Abbott III)*

COAL CHEMICAL SIMULATION TRAINING(CHINESE EDITION)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. The paperback. Pub Date :2012-12-01 Pages: 151 Publisher: Chemical Industry Press title: Coal Chemical Simulation Training Original Price: \$ 25 Author: Zhou Wenchang editor of Press: Chemical Industry Press Publication Date: 2012 - 12-1 ISBN: 9787122153135 Words: 243 thousand yards: 151 Revision: 1 Binding: Paperback: 16 product size and weight: Editor's Summary Coal Chemical Simulation Training focuses on the coal chemical chemical unit operations and CWS gasification and methanol to obtain use of simulation training. including centrifugal pumps. heat exchangers. liquid level control. distillation. extraction. absorption desorption cyclone vacuum 8 unit operation. slurry pressurized gasification. methanol synthesis. methanol refining production process. Introduction to the basic concepts of system simulation. simulation training system trainees station use. The main content: cold state car. normal stop. to deal with the accident. and with a process flow diagram of the control points. imitation TCS Figure. site map. Questions. and major equipment diagram. Coal chemical simulation training as college chemical. coal chemical class professional students and in-service staff training materials. also can be used as instrumentation and automatic control students training reference. User manual the directory first platform trainees station. program starts two main program interface. PISP platform scoring system using manual second unit operation projects a centrifugal pump unit simulation training a Process II. centrifugal pump unit operating procedures accident set Glance four. major equipment Figure simulation interface VI Review Questions II heat exchanger unit simulation training process II. the heat exchanger unit operating procedures. accident set Glance four major equipment five simulation interface VI. review questions project three distillation column unit simulation training a Process II distillation unit operating procedures. accident set Glance four major equipment Figure simulation interface VI. review questions project...
