Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Everyone wants clinicians to adopt digital health, but how? Digital health influencer Jared Johnson asked that question to guests on the Health IT Marketer Podcast and was amazed by their responses. Health care professionals are facing so many new challenges in today's landscape of shifting business models, regulations and patient experience initiatives, it can be easy to ignore the innovation that is happening in digital health. In this easy-to-read compilation, Jared shares conversations with 20 health care technology thought leaders who describe how to partner with patients and use digital health tools. Each conversation is with a well-respected peer in the health IT community - physicians and advocates who empathize, understand the challenges and have experienced their own success.
