Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This publication, Human Resources Support (FM 1-0), provides fundamental principles to help guide actions, make decisions, and establish policies in support of national objectives. Field Manual (FM) 1-0 is the Army's single source of doctrine for Human Resources (HR) Support. It describes HR doctrine and how it fits into the Army's current and future operational concept across the full spectrum of conflict. This approach allows HR providers to understand their responsibilities while executing traditional functions more responsively at lower unit levels. All previous functions remain intact, but have been consolidated into four HR core competencies that encompass all HR functions and tasks. The competencies are: Man the Force, Provide HR Services, Coordinate Personnel Support, and Conduct HR Planning and Operations. This change reflects a detailed analysis...
