In His Steps is a Protestant version of the stations of the cross experienced by Roman Catholics. It is designed as an ecumenical Good Friday worship service. There are 12 stations in the service. Participants represent the stations during the service by standing in a position visible to the congregation. The participants hold the appropriate symbol for that station. The leader announces the name of the station and the symbol for it and one of the participants reads the scripture. Time is provided for the congregation to pray and meditate briefly. The book includes the order of service and a section to be copied and used as a church bulletin. Steven B. Bomely has pastored Presbyterian churches in Illinois, Iowa, and North Dakota. He is currently a resident of Sewell, New Jersey.
