

Studies in Early Indian Thought (Classic Reprint) (Paperback)

Filesize: 9.7 MB

Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Lori Terry)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Studies in Early Indian Thought* This book has been written in India and some parts of it have formed material for lectures given by the author at and near Bangalore. It has been her hope to interest those whose profession or calling has brought them into personal contact with the natives of India by an account of the influence still exercised by early Indian literature on the Indian thought of the present day. She hopes too that some English readers may be interested in the book, and that Indian students may care to have an account of the impression made by the ancient literature of their country on an English student of comparative religion. She owes thanks for advice and help to many friends in India, and special thanks to Professor Rapson, Professor of Sanskrit in the University of Cambridge, who has been so good as to read the proof-sheets. She wishes also to express her thanks to her publishers at the University Press for much kind help, which her absence from England has made specially valuable to her. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
