THE BUSINESS MENTOR: Elevate your Management IQ: A series of fireside chats on business philosophy, market growth strategy, brand development, and common sense

By Ira Bernard Teich

Ira Teich. Paperback. Condition: New. 366 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. THE BUSINESS MENTOR: ELEVATE YOUR MANAGEMENT IQ reflects my experiences with hundreds of clients over many years. The genius of business lies in the understanding of the principles and mostly in their implementation, so I focus on how to approach, apply, and benefit from business and market growth principles. These are simple concepts that will reinforce well-imbedded principles for many seasoned executives. For others, they should deliver a philosophy and practical insights. For all, I expect that it will provide a bridge between creative concepts and their execution and a sense for prioritization. Businesses today over-complicate things, often confusing themselves and more importantly, their customers and strategic partners. This is not necessary or desirable. Brilliant simplicity isn't simple to incorporate into an organization but it's do-able. You will read about appreciating the needs of customers and consumers and how you can solve their problems and deliver ideas and suggestions that they will value. I explain how creativity can be nourished in the workplace; that creativity and intuition complement the rigor of a disciplined planning methodology. Both are essential. I demonstrate how great long-term planning can be flexible and...
