Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 260pp. This is probably for the first time that a serious study of Deities of Rig Veda has been made with the help of modern research methodology and science to find out what the Rishis had said, a few thousand years back, about the Deities. Efforts were also made to identify these gods. It is a finding of great importance that what Rishis had said about these gods is being corroborated by the western science today. All the material things are produced by their permutations and combinations. These five natural phenomena gods have their sub-gods also.
