Strattomics A Practical Guide to developing Strategies and Tactics for our Agile World

By Huw Morris

Paperback. Book Condition: New. Paperback. 97 pages. Flourishing enterprises excel at their current activities, spot changes in their operating environment early and develop the agility needed to embrace new threats and opportunities. Huw Morris uses his experience from a broad spectrum of enterprises to explain how Enterprise owners, Directors and Managers can use practically a range of established techniques to improve enterprise performance. The three-part book opens with a focus on Continuous improvement. After consideration of critical to quality (from the perspective of customers) and critical to process factors, there is a focus on building quality into work and the plan, do, check, act cycle as a foundation for continuous improvement. Other improvement tools such as 5 Whys, Ishikawa (fishbone) diagrams, Force Field Analysis and Effective Attainable analysis are described before an acknowledgement of the need to balance efficiency continuous improvement and innovation. The second part of the book - Raising Agility - promotes broader thinking about the future of an enterprise as a platform for improving its ability to respond to changes. After a short diagnostic to provoke a self-assessment of the agility of an enterprise, S curves are used to identify the As Is in terms of its...
