Subtle Power: A Guide to the Human Operating System for Intentional Leaders (Hardback)

By Gabriel Sakakeeny

Sakakeeny Associates, 2014. Hardback. Condition: New. V.1.3 ed.. Language: English . Brand New Book ***** Print on Demand *****.When addressing the question of what constitutes an effective leader, Gabriel Sakakeeny offers Your job as a leader is to create and deliver an inspiring future of increasing value by causing effective action in yourself and others. At a time when many businesses, from multinational corporations to start-ups, are realizing that the prevailing paradigm of human resources management must yield to something more productive and successful, Subtle POWER - A Guide to the Human Operating System for Intentional Leaders, offers a fresh, reality-based collaboration structure founded on accountability, self-empowerment, and effective communication. The methodology is the result of the author's unique body of experience blending over thirty years in business as a C-level executive, entrepreneur, inventor, engineer, marketer, and consultant with forty years leading symphonic orchestras. Subtle POWER contains a toolbox of logically organized foundational concepts. Building on this fundamental architecture, the author expertly layers ever more detailed concepts using familiar stories and helpful analogies to provide a succinct narrative. All the while, the chapters are structured so that, as new ideas are introduced and explored, previous points are integrated as...
