THE BIG BOOK OF EBAY: HOW START AN EBAY BUSINESS, AND MAKE MONEY SELLING ONLINE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you want to make more money selling on eBay? Do you ever find yourself looking at successful sellers on eBay and thinking - They know something I don't. They've probably got some kind of inside connection that lets them get products cheaper than I ever could. They've already got the market sewed up, there's not any business left for me. Have you ever told yourself - If I had a little more money, I could buy the inventory I need to make a killing on eBay. If I had a little more time, I'd be able to list enough items to be successful. If I had a little more information, I could pick a killer product that would make me a million dollars selling on eBay. Sounds crazy, doesn't it? The Big Book of eBay tells it like it is. There's no hype, no BS, and no false promises. The Big Book of eBay discusses the new eBay Seller Standards, and how they affect you. It covers the problems eBay sellers encounter choosing which products to sell, how to keep accurate records, and how to ship items inexpensively and efficiently. Learn how to - Plan for success Choose a niche Ship like a pro Sell international Track your income and expenses (This book is a revised version of my earlier book, eBay 2015: 5 Moves You Need to Make Today to Sell More Stuff on eBay. It has been rewritten, and updated so it contains the most current information about how to sell on eBay.).
