If you choose to save yourself, you are tainted by the blood of the world you chose to neglect on your hands. Alyssa is a normal girl living in a world that seems corrupt when this exact question is asked of her by God. In order to continue her own life, she must fight the Devil to protect the world that she knows. With the help and support of Michael the Archangel, she must undergo a task that she was specifically created for. But will she survive? And will the world she knows ever be the same? Only God knows . In a fictional hypothetical, Jaye McKitrick uses Christian ideology to pose a question of your faith and what sacrifices you would be willing to make for love lost, love had, and love s potential.
