THE PROFESSIONAL YOU HANDBOOK: HOW TO DISCOVER THE PROFESSIONAL YOU (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. The Professional You Handbook - Author s Acknowledgments During my years I have experienced many amazing things. I ve also realized that everybody needs guidance. When we don t understand the circumstances at play, we learn from a skewed perspective. We are all different. It is our responsibility to inspire each other to be who we want to be in life. We were once a united community called MAN. We ve learned and taught ourselves how to become individuals with selfish personalities. Mother Nature has an AMAZING personality. She makes the honey sweet and makes the bees sting. She is a professional at what she does. Now is time We realize our special talents and gifts!! We need tools to heal our anxieties. I search for tools at all times to become knowledgeable of different aspects of life. I practice with these tools daily. This has given me a new desire for knowledge. I use the tools in this Handbook to maintain a strong sense of purpose. It is my purpose to promote and spread these tools. It is your responsibility to use them as well, and inspire others to do the same. My goals with these tools are to brighten the spirit and spread the message globally.
