Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of the Superintendent: December, 1915 The purpose of this report is to set forth to those interested in the educational phases of the work of the Boston schools, first, a bird s-eye view of the school activities that have recently received special attention and have been considerably changed; second, a somewhat detailed account of the work of the different departments for those who are interested in special activities. It deals with educational procedure and not with statistics or finances. The educational statistics of the schools will be found in the superintendent s statistical report of September. The costs are given in the business agent s financial report in April of each year. Part One. - Significant Things Recently Accomplished Or Under Way. 1. Opportunities for Professional Activity on the Part of the Teachers. (a.) Courses in the art of teaching have been offered in our school buildings by professors of educational departments of colleges in the last two years. Last year the courses were offered by Professors Moore and Holmes of Harvard and by Professors Norton and Fisher of Wellesley. These courses have been offered this year, and in addition Professor Inglis of Harvard has given a course for high school teachers on Methods in Secondary Education. The classes have been well filled, but their value is not limited to the number who are members of the classes, for each one goes to his own district and becomes a new center of distribution of the ideas and enthusiasm he has received. In addition to these courses promotional courses dealing with the art of teaching have been given to the younger teachers who are...
