

Content Is Still King: How to Create an Online Business Using the Power of Your Words (Paperback)

By Lisa Sutherland

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Imagine that you could turn your ideas and knowledge into profits. How about making your passion into a business. Can you imagine that? This is possible with a content based business. There s an old saying that online, content is king. Content is the reason search engines like Google make billions of dollars every year. They help people find the information they re searching for. This is valuable only because the content is valuable. You already possess the value. All you need is a way to convert all these ideas, thoughts and passions into a business. A business that generates profits. Where do you start? What turns you on? Where s your passion? Whether it s cars, dog, cats, fitness, clothing, music or anything else under the sun, there s a market for it. Every market is filled with consumers of content. In this book you ll learn exactly how to turn your passion, hobby or unique interest into something that not only brings you joy, but also an extra income source. In time it may even...
