But their ship is set upon by Barbary corsairs en route - and they arrive in Murano penniless. Fortunately, they meet a gentleman banker who arranges for a line of credit and a place to live. But just as the Vincents start to relax, a solicitor arrives at their house and it becomes clear they have been the victims of an elaborate heist. Trapped, penniless, their safety in fragile shape, they hatch a reckless plan to get their money back. The ensuing adventure is a glorious envisioning of all the best parts of heist narratives, but in a Regency setting - with magic.
