By Eliza Gayle

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jessa walked away from the Blackwood Pack when she failed to deliver on her end of a contract she signed with them. But she fears that the ironclad nondisclosure agreement she signed won't allow her to get far. There's only one person she thinks might be able to help her, except he's notoriously unhelpful and leads a gang of shifters that could be just as dangerous as the one she wants to leave. And now there's this new hottie she wants to sink her teeth into distracting her. Fresh from an out of town trip that led to yet another friend's mating, Calder has returned home with a grumpy and dissatisfied bear. That is until he meets one dazzling human goddess on his morning bakery run. With curves for miles and an obvious love for chocolate frosted cupcakes, he's sure he has met his match. Until he finds out she already belongs to Luke Blackwood and his boss, Bhric has made her strictly off limits.
