Telegraphy: A Manual for Students; Written Specially to Meet the Requirements of the Ordinary Grade of the Subject as Published in the Syllabus of the City and Guilds of London Institute The need of a volume dealing with the art and science of Telegraphy as a first text-book has been a want long felt by my colleagues, which is shared, we believe, by many experienced teachers.

The present work is an attempt to provide such an introduction, and, after devoting special thought to the question of order, an arrangement has been adopted which - if it varies somewhat from the common usage of the text-books - is at least based upon the experience of many years. To a great extent the order in the Syllabus has been followed, this being most convenient to the candidates for examination, and doubtless will prove equally useful to the general student. A number of questions are appended to each chapter, from the conviction that such exercises are of considerable service in aiding the memory, and, when carefully selected,...
