Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From the earliest financial scams of the 17th century, through the headline-grabbing Wall Street scandals of our times, History of Greed provides a comprehensive history of financial fraud. In it, David E. Y. Sarna exposes the true and often riveting stories of how both naive and sophisticated investors alike were fooled by unscrupulous entrepreneurs, lawyers, hedge-fund managers, CPAs, Texas billionaires, political fundraisers, music managers, financial advisers, and even former Mossad agents. From the people behind the financial fraud and how they did it to why people continually fall prey to scam artists, Sarna outlines what actions you can take today to protect yourself from becoming the victim of tomorrow's too good to be true investment opportunity. History of Greed details how markets are manipulated, books are cooked, Ponzi schemes are hatched, and how the government only closes the barn door once the cows have all escaped.
