Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever been so deeply immersed in a fantasy that it actually felt like reality? Do you ever yearn to remain in that moment? Well, if you have, this book is designed to turn your fantasies into your reality, and if you are yet to have those fantasies, this book is guaranteed to create them for you and guide you to a point of no return. I will demonstrate to you how psychologically powerful you really are, how and why you should accept your reality of change whenever they emerge. Finding the lesson in your pain, and how you can embrace the different and unexpected changes in your life without employing your most unpleasant emotion called FEAR . You will discover that your power lies within your mindset and your level of success begins with a single thought of a single concept. This book will reveal just how dominant your belief system really is, why you are the compass of your journey, the creator of your desire and subsequently its level. Therefore, if you want it bad enough, that burning desire will consume your every being. This book will also overindulge you with the true intentions of your critics and manipulators; how you can crush their egos, why you should refrain from seeking their validation, and how to avoid exposing yourself to becoming the next victim of exploitation. Do you desperately need to master the art of decluttering your life and rearranging your circle? Disposing of the expired people in your life who have already played their part in your script? People who do not know the importance of delaying judgment? How to capitalize on rejections, preparation, and...
