In the Time of the Nations (Paperback)

By Emmanuel Levinas, Michael B. Smith

Bloomsbury Publishing PLC, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. In this major collection of essays, Emmanuel Levinas, a leading philosopher of the 20th century, considers Judaism's uncertain relationship to European culture since the Enlightenment, problems of distance and integration. The book includes five Talmudic readings from between 1981 and 1986, essays on Franz Rosenzweig and Moses Mendelssohn, and a discussion with Francoise Armengaud which raises questions of central importance to Jewish philosophy in the context of general philosophy. This work brings to the fore the vital encounter between philosophy and Judaism, a hallmark of Levinas thought. These books are seminal works of the finest minds in Western thought, including Adorno, Badiou, Derrida, Heidegger and Larkin. They are works of such power that they changed the cultural mind when they were written and continue to resonate today - landmark texts in the fields of philosophy, literature, popular culture, politics and theology - strikingly designed, accessibly priced.

Reviews

This composed pdf is excellent. It really is basic but excitement in the 50 % in the book. Your lifestyle span will likely be change when you comprehensive looking at this book.

-- **Tom Fisher**

Totally one of the best pdf We have possibly study. Yes, it really is perform, continue to an interesting and amazing literature. I am happy to let you know that this is the very best ebook i actually have go through in my personal life and can be he best pdf for possibly.
