Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Bloomsbury Publishing PLC, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. When Little Lou finds a wriggly, squiggly piece of wool amongst a pile of toys, she curiously gives it a tug. But - what's this? The wool tugs back - there's something at the other end! And as Little Lou follows the wool, she realises that it's attached to . . . A giant woolly mammoth! Quick, RUN! But soon the woolly mammoth gets snagged, and he starts to get smaller . . . And smaller . . . And smaller. In fact, he is so small that he doesn't really seem so scary anymore - he's just the right size for a cuddle! A charming tale of fear, friendship and not judging a book by its cover, beautifully illustrated by Paula Bowles.
