Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Eighteen Short Love Stories About Love in the Trenches of Everyday Life This book is not about falling in love with the man or woman of your dreams and riding off into a picturesque sunset. Though, in theory it can happen, that Fairy Tale kind of love is reserved for well, Fairy Tales. Like many, I enjoy nothing more than the typical, predictable romantic flicks that end with the leading man finding his perfect soul mate, sweeping her off her feet and disappearing into tomorrow to live happily ever after. You can get that type of manufactured, conjured up, Hollywood love on Netflix for \$9 a month by thumbing through the romantic film section. In real life, that type of love appears in glimpses, but is very difficult to sustain because unfortunately real life tends to get in the way. The love I'm speaking of is the kind that comes from the trenches of everyday life. The love in the mud of things, staged in the chaos of everyday life. I'm talking about that deep, dirty in your face love. A love that is fulfilling, yet scary at the very same time. Love that is 100% pure. Real love. Not necessarily the romantic kind of love between partners, but also the love that forms between friends, family, brothers or even strangers, as they navigate through the ugly that we are often forced to endure as we travel through the daily events called real life. We often have this strange misconception that we achieve true love only when everything is going perfectly in our lives. Enough time, enough money, enough perfection doesn't mean it is time for perfect love...
