Derek Fisher, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Syana s Bell is an enchanting, humorous, adventure tale of self-discovery. A beautiful young Angel, (who isn't conceited at all), sits on a drifting cloud making people smile by ringing her Magic Silver Bell. Syana s adventure begins when she bonks her little Angel head and gets knocked out cold, dropping her Magic Bell from the drifting cloud. She decides that she must go down to earth to find her Bell, so, she becomes a proper, mostly human little girl, leaps off of her cloud, loses her wings and lands in the middle of an ocean. How she gets from where she lands to where she ends is a journey that you won't want to miss! It is not likely that she will succeed in finding her Bell though, because she will most likely be eaten by witches, or blown to smithereens by a crazy inventor or driven mad by her traveling companion, a slightly obsessive raccoon. But, with a little help from a very special friend, there is still a chance that she may succeed after all.
