

Algebra Survival Guide Workbook: Thousands of Problems to Sharpen Skills and Enhance Understanding

Filesize: 6.74 MB

Reviews

This publication is indeed gripping and exciting. I could comprehend almost everything using this composed e publication. I am easily could possibly get a delight of looking at a composed pdf.
(Lynn Lindgren)

ALGEBRA SURVIVAL GUIDE WORKBOOK: THOUSANDS OF PROBLEMS TO SHARPEN SKILLS AND ENHANCE UNDERSTANDING

Singing Turtle Press. Paperback. Book Condition: new. BRAND NEW, Algebra Survival Guide Workbook: Thousands of Problems to Sharpen Skills and Enhance Understanding, Josh Rappaport, Following on the success of the Algebra Survival Guide, the Algebra Survival Guide Workbook presents thousands of practice problems (and their answers) to help children master algebra. The problems are keyed to the pages of the Algebra Survival Guide, so that children can find detailed instructions and then work the sets. Each problem set focuses like a laser beam on a particular algebra skill, then offers ample practice problems. Answers are conveniently displayed in the back. This book is for parents of schooled students, homeschooling parents and teachers. Parents of schooled children find that the problems give their children a 'leg up' for mastering all skills presented in the classroom. Homeschoolers use the Workbook - in conjunction with the Guide - as a complete Algebra 1 curriculum. Teachers use the workbook's problem sets to help children sharpen specific skills - or they can use the reproducible pages as tests or quizzes on specific topics. Like the Algebra Survival Guide, the Workbook is adorned with beautiful art and sports a stylish, teen-friendly design.
