It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

> Ellen is our dental angel advocate. Her book exposes all the murky and sometimes secretive details of the dental industry, such as fillings, root canals, crowns, implants, dentures, and more, and the expenses and insurance involved. She presents the information in such an easy to read and informative manner that it's not possible any longer to wonder whether to trust a dental professional or his/her treatment or not. Hooray for Ellen Broyles! I can honestly say that I appreciate her writing this book; the information has been kept un-der cover for too long. Thanks, Ellen. -Terry Mills Ellen the book is great! I sat down to just read a chapter or two and ended up finishing it because it was so fun, definitely not the typical, dry literature you'd read about a medical profession! The structure and content were perfect. Thanks for sending me along a copy; I think it's a great idea to educate patients! -Casey Caraher Ellen has personally saved our family thousands of dollars by intercepting treatment plans that would have drained our bank accounts. We can't thank her enough for her time and caring attitude for us and many of our other family members that have gone to her for dental advocacy. She was able to inform us with alternative suggestions and refer us to other dentists that were able to provide them. -Marcy Dodds My sister was in severe dental pain one evening; we were referred to Ellen to help us find available dental resources and she was able to find a clinic that worked on a sliding fee schedule. Both my sister and I thank you Ellen! Thanks to your recommendation, she...
