Brand New Book ***** Print on Demand *****.If you're one of the many massage therapists who love your profession but continually struggle with finances, you need this book. Although massage therapy is a wonderful healing profession it tends to have a distinct disadvantage over other healthcare providers. Studies show that more than 50 of therapists must supplement their income by working at another job and many are forced to leave the profession entirely just a few short years after graduation! It's a shocking statistic but it doesn't have to be your destiny - there is a solution! The benefits of massage therapy are well-known, yet individual therapists often struggle to stay profitable simply because they lack the necessary business skills to maintain a thriving practice. Attract and keep clients who pay, return, and refer. Establish yourself as an expert in your town. Establish referral networks with local chiropractors and medical doctors.
