THINGS I NEVER LEARNED IN SUNDAY SCHOOL: FACTS ABOUT THE CHRISTIAN FAITH THAT WILL SURPRISE AND ASTOUND YOU

Writing . Etc., United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.At the beginning of the book is this quote: If you re going to put all your faith into something, you need to thoroughly examine it to make sure your faith is justified. Polls have repeatedly shown that only a small number of Christians ever read their bibles. As a result, any knowledge they possess about such familiar topics as the Resurrection . Satan . Hell . the Antichrist . Armageddon is, more likely than not, based on what they have heard in Sunday morning sermons and/or Sunday School/Catechism classes. Few know the history behind the doctrines they profess to live by and even fewer are familiar with how Christianity actually got started. This book is an attempt to open up new learning pathways and to help believers more fully understand what they believe and why. The material will be especially valuable to Christians who may be struggling with feelings of guilt, fear, doubts, or misgivings about their faith in that it addresses many of the more troubling doctrines and traditions of Christianity. Even devout Christians may discover new information about their faith. There is little doubt many parts of the book will be unsettling to some. However, when read with an open and inquiring mind, it could result in a new and exciting spiritual experience. The author does not claim to be a bible scholar or historian. The information she shares is based on several years of extensive reading and research. There are nearly 200 reference notes, numerous scripture quotes, and a substantial bibliography.
