Amazon Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. The first book in nationally renowned librarian Nancy Pearl's new Book Lust Rediscoveries series, this lost literary classic is available for the first time in decades. Then, as a paratrooper, he meets the physical challenges he thought were beyond his reach and helps free the concentration camps before being wounded as the Allied forces free Buchenwald. Back home after the war, he becomes a wildly successful producer--and all of this by the age...
